

“Lahey Clinic is our number one choice for the best in medical care for our family—and our employees.”

—Jamie McDermott, Chief Operating Officer
Clark-Cutler-McDermott Company

Lahey Clinic—a resource for your corporate family

- Each year one in eight Americans sustains a significant workplace disability.
- Lost work time costs employers and workers more than \$350 billion each year.

Lahey is unique in the Boston area: an integrated group practice encompassing virtually all medical specialties under one roof. Lahey’s multidisciplinary approach helps to reduce medical bills and lost productivity due to illness or injury.

Lahey Clinic is your neighborhood health care provider. When lives and productivity are in the balance, timely access to outstanding care ensures the best treatment for you and your employees.

Lahey Clinic—your choice for outstanding health care

Businesses everywhere are concerned with the high cost of employee health care. Healthcare facilities like Lahey Clinic contend with the continually rising cost of delivering health care. Fluctuating reimbursement rates—combined with ever-increasing operating costs—can impact needed investments in diagnostic and surgical technology, and clinical staffing to accommodate tomorrow’s medical demands.

Now more than ever, we need the support of our corporate friends and individual donors to keep pace with the challenges and opportunities of today’s medicine.

“Lahey is a lifesaver—and a timesaver for the EMC team.”

—Jack Mollen, Executive Vice President, Human Resources, EMC Corporation
