

# Lahey Clinic Psychiatry Residency Program ➔

- **Program Director:** Laura Safar, MD
- **Associate PD:** Hema Venigalla, MD; Hannah Hollander, MD
- **Program Coordinator:** Kari DeLorenzo

## Our Program's Strengths and Highlights

**Richness of exposure to different sites:** high complexity hospital, community hospitals, community behavioral centers, VA hospital: Graduates will be ready to practice in different settings.

**Diverse populations**

**Medical psychiatry** - OP and CL; subspecialties within medical psychiatry.

**Clinic Model** - culture of collaboration, respect, support. Multidisciplinary (MD, APRN, SW, PhD, etc.)

**Leadership training**

**Location:** Eastern Mass, Boston area

**Training in the biopsychosocial model** - includes strong opportunities to learn psychotherapy, psychopharmacology, and neuromodulation treatments.

**Solid options for inpatient psychiatry** - Boston VA, BayRidge, Cape Cod Hospital, Beverly Hospital, Addison Gilbert Hospital.

**New Program:** A strength, for applicants interested in the opportunity to help create/ lead this experience for themselves, and the upcoming classes.

## Mission Statement

To educate future leaders of psychiatry who are expert and compassionate clinicians and scholars, equipped with the competencies and intent to create an effective and equitable healthcare system.

Check out our  
website for more  
information on  
our program!

<b>Lahey Hospital &amp; Medical Center</b>	Medicine, Neurology. Psychiatry: CL, OP, ED, Collab, subspecialty psych, electives. Site for Didactics, Grand Rounds, Program Administration, etc.
<b><u>BILH</u>* Behavioral Services</b>	Addiction Psych, Child & Adolescent Psych, Community Psychiatry. Additional site for outpatient psychiatry.
<b><u>BILH</u>- Beverly &amp; BayRidge Hospitals</b>	Inpatient Psych. ECT elective at Beverly Hospital.
<b><u>BILH</u>- Addison Gilbert Hospital &amp; Center for Healthy Aging</b>	Geriatric Psychiatry (AGH inpatient; CHA outpatient).
<b>Cape Cod Hospital</b>	Inpatient, Partial Hosp. Program, Child & Adolescent Psych, Emergency Psych.
<b>Boston VA</b>	Inpatient psych, neuromodulation (rTMS, ECT, ketamine); possible additional CL Psychiatry site; electives.

\*BILH: Beth Israel Lahey Health

	Chief - Ambulatory / Administrative / CL / Education											

# Lahey Hospital & Medical Center

Level I trauma center in Burlington, MA.

Leader in Education: Multiple residency and fellowship programs; a respected Boston- area teaching hospital for decades.

Psychiatry Department: Trainees include medical students, Psychology and APRN fellows, SW & LMHC interns, residents in elective rotations.

Umass Chan Medical School Regional Campus.

Culture of collaboration, Clinic Model. Dr. Frank Lahey founded an interdisciplinary group practice in 1923, to take care of all patients' needs under one roof.

Collegiality; culture of safety; learning organization.

## The main site for the Program.

Didactics, rotations, and other educational experiences (supervision; grand rounds; etc.) take place here.

**Required rotations:** Medicine; neurology; consultation-liaison (CL) psychiatry (medical floors and emergency department); outpatient psychiatry; collaborative care model psychiatry; PGY4 Chiefships (administrative; outpatient; CL; educational).

**Elective rotations: Sub-specialty CL and OP psychiatry.**

**Examples:** psycho-oncology; transplant psychiatry; bariatrics; transgender health; ICU CL psychiatry; neurocritical care CL psychiatry; Addiction CL/OP psychiatry; neuropsychiatry; psychotherapy; and others.

# Beth Israel Lahey Health Behavioral Services

## Outpatient, Community, & Child and Adolescent Psychiatry Rotations

**Site Director:** Jacob Venter, MD.

Faculty also includes Dr. Boris Lorberg, MD

**BILH-Behavioral Services:** Large network of community mental health services.

Main rotation site:

Lawrence Community Behavioral Health Center (CBHC): Treatment for children, adolescents, adults, families. Interprofessional team.

**Services include:** Urgent mental health and substance use services (Walk-in clinics); Individual, group and family psychotherapy; Psychiatric medication management; Community crisis stabilization unit (CCS); Mobile Crisis Intervention (MCI); Care coordination; MAT for SUD.

**Strengths:** Solid community psych experience with many services; diverse population, high Latino percentage- interpreters on-site; excellent child and adolescent psychiatry opportunity.

Teaching site of UMass Chan Medical School.

## Addiction Psychiatry Rotation

**Site Director:** Nalan Ward, MD

**BILH-BS Addiction Services:** Wide range of community based outpatient and “bedded” programs.

Danvers Treatment Center: Detox Unit; Community Stabilization Service; Methadone & Suboxone Clinics; Group Therapy; outpatient addiction services.

Hart House: Residential/ therapeutic setting for mothers/ pregnant women with addiction & their children.

**Strengths:** Residents will actively participate from providing a wide range of addiction services and continuity of care to individuals with addiction disorders.

Teaching site of UMass Chan Medical School, and BIDMC HMS residents.

UMass Chan  
MEDICAL SCHOOL

Beth Israel Lahey Health  
BayRidge Hospital

**Site Director:** David Bowman, MD

Community psychiatric hospital; provides high quality psychiatric and substance use treatment.

Residents may rotate in two inpatient psychiatric units: BayRidge 1 (24 beds) and BayRidge 2 (30 beds).

The hospital has a Partial Hospital Program (PHP) and step-down OP services.

Strengths: Wide range of psychiatric diagnoses; excellent site to gain experience with acute presentations in inpatient psychiatry. Diverse population.

Site for inpatient psychiatry rotations. Possible PHP rotation.

Teaching site of UMass Chan Medical School.

Beth Israel Lahey Health  
Beverly Hospital

**Site Director:** Irina Guryanova, MD

Acute care hospital and Level III Trauma Center. Comprehensive services, primary care and specialties.

➤ **Leland Psychiatric Unit**: Inpatient psychiatric unit for patients with psychiatric and concurrent medical disorders.

➤ Inpatient and outpatient ECT service (elective rotation).

Strengths: Supportive environment to learn inpatient psychiatry for medically-ill individuals.

A teaching site of UMass Chan Medical School.

## Geriatric Psychiatry Rotations

### **Addison Gilbert Hospital**

**Site Director:** Steve Gillespie, MD

Acute care facility, several medical specialties.

**Geriatric Psychiatry rotation**  
(inpatient).

Psychiatric disorders, often with concurrent medical disorders; neurocognitive disorders with behavioral disturbances.

### **Center for Healthy Aging**

**Site Director:** Maura Copeland, MD

Multi-disciplinary ambulatory center.  
Geriatric psychiatric and geriatric medicine care.

**Geriatric Psychiatry rotation**  
(outpatient).

### **Community General Hospital**

Teaching  
hospitals of  
UMass Chan

### **Cape Cod Hospital**

**Site Director:** Paula Kirby-Long, MD

#### **Psychiatric services:**

- Psychiatry Emergency Service - Lead by Dr. Cathy Perkins
  - Cape Psychiatric Center: Inpatient unit
  - Partial Hospital Program
- Center for Behavioral Health: OP, from children to the elderly.
  - CL service.

#### **Strengths:**

Wrap-around psych services; busy ED; wide range of clinical presentations, and cultural diversity. CCH provides free housing (private apartments) during rotation

#### **Rotations:**

- PGY-1: Inpatient and Emergency Psychiatry.
- PGY-2: Child & Adolescent Psych, PHP, part-time Inpatient Psych.

**U.S. Department of Veterans Affairs**

Veterans Health Administration  
*Boston Healthcare System*

## **Boston VA Hospital**

**Site Director:** Fe Erlita Festin, MD

Training site for psychiatry residencies and fellowships in the Boston area.

### **Inpatient psychiatry:**

A robust teaching team of 11 inpatient psychiatrists. Four units:

- ▶ A- Trauma-related disorders and addiction.
- ▶ B- Severe mental illness (SMI); sub-unit for female patients.
- ▶ C,D: Subacute (longer stays; trauma disorders & other SMI). Longer therapeutic relationship with patients.

### **Neuromodulation:**

ECT, TMS, ketamine (IV and intranasal). Opportunity to complete a mini-fellowship in neuromodulation.

### **CL psychiatry:**

Busy teaching service with fellows, residents, and medical students-excellent evaluations from learners.

### **Our Faculty – (All Sites)**

Academic clinicians with substantial experience educating medical students, psychiatry residents and fellows. Academic appointments at UMass Chan Medical School, Tufts University School of Medicine, and Harvard Med School. Excellence in Teaching awards.

**Areas of Expertise include:** general psychiatry, CL psychiatry, collaborative psychiatry, neuropsychiatry, transplant- psychiatry, addiction psychiatry, child & adolescent psychiatry, neuromodulation, and other.

**Psychotherapists:** experts in CBT, trauma- informed care, Health Psychology (psycho-oncology, medical weight loss and bariatric surgery, sleep medicine, transgender health, transplant, and other), DBT, Psychodynamic Psychotherapy, and other.

**PERC (Psychiatry Emergency Resource Clinicians) Team:** Expertise in emergency psychiatry

#### **Dr. Laura T. Safar (Program Director)**

Laura T. Safar, MD, is the Vice Chair of Psychiatry and Behavioral Medicine at Lahey Hospital and Medical Center (LHMC), and Assistant Professor of Psychiatry at Harvard Medical School. Dr. Safar has substantial experience in medical education, including her former role as Co-Director of the Neuropsychiatry Fellowship at Brigham and Women's Hospital. She is coeditor of the textbook "Neuropsychiatry and Behavioral Neurology: Principles and Practice", and co-director of the annual Harvard CME Course "Neuropsychiatry: A Comprehensive Update." Dr. Safar is board- certified in General Psychiatry, Consultation- Liaison Psychiatry, and Neuropsychiatry. Her research interests include the neuropsychiatry of MS. She is a Distinguished Fellow of the American Psychiatric Association.

#### **Dr. Hema Venigalla (Associate Program Director)**

Hema Venigalla, MD, is a board-certified psychiatrist with expertise in the integrative treatment of individuals with psychiatric disorders in the outpatient setting. Her areas of interest include integrated care, collaborative care, neuromodulation, and psychiatric education. She is an Assistant Professor of Psychiatry, UMass Chan Medical School.

#### **Dr. Hannah Hollander (Associate Program Director)**

Hannah Hollander, MD, is a board-certified psychiatrist who practices outpatient care for patients with a range of psychiatric diagnoses. Her areas of interest are in women's mental health, college age young adults, ADHD, anxiety, PTSD, depression and mood disorders. She also has experience in addiction psychiatry, and utilizes a harm-reduction framework in her work with patients with substance use disorders.

#### **Dr. Patrick Aquino (Department Chair)**

Patrick R. Aquino, MD, is the Chair of Psychiatry and Behavioral Medicine at Lahey Hospital & Medical Center. As Medical Director for Behavioral Health Integration for Beth Israel Lahey Health (BILH) Behavioral Services, he leads BILH's initiative to integrate behavioral health (Collaborative Care) across its network of primary care practices. He is board certified in General Psychiatry and Consultation-Liaison Psychiatry and completed a fellowship in Medical Education at Harvard Medical School. He is an Assistant Professor of Psychiatry at UMass Chan Medical School. His research interests include evaluating care delivery models, integrating technology in health care, and investigating psychiatric illness in medical disease. He is a Distinguished Fellow of the American Psychiatric Association and Fellow of the Academy of Psychosomatic Medicine.

#### **Dr. David Van Norstrand (Consult Liaison Director)**

David Van Norstrand, MD, PhD, completed his MD as well as a PhD degree in cardiovascular genetics at Mayo Medical School. He completed his psychiatry residency at MGH and McLean Hospitals, a fellowship in psychodynamic psychotherapy at the Boston Psychoanalytic Society and Institute, and a fellowship in CL psychiatry at Cambridge Health Alliance. He is board certified in General Psychiatry and Consultation-Liaison Psychiatry. He directs the LHMC Psychiatric Consultation service, and the newly formed Addiction Consultation Service. He is the Psychiatry Clerkship Director for UMass Chan medical students. He is co-author on a number of peer-reviewed publications.

#### **Dr. Martha Koutsos (Staff Psychiatrist)**

Martha Koutsos, MD, is a board-certified psychiatrist with expertise in the comprehensive outpatient care of individuals with psychiatric disorders. Her interests are in depression and mood disorders, anxiety and adjustment disorders, ADHD, and evaluation of liver transplant and kidney transplant donors. Her areas of expertise include her interdisciplinary work with patients with Parkinson's Disease undergoing DBS treatment. Dr. Koutsos is an experienced teacher who has provided clinical training to medical students from Tufts University School of Medicine and UMass Chan Medical School. She leads a multidisciplinary clinical team of psychiatrists, advanced practitioners, social workers, and psychologists.

#### **Dr. Smita Patel (Staff Psychiatrist)**

Smita Patel, MD is a board-certified psychiatrist with expertise in Addiction Psychiatry. Dr. Patel has substantial experience treating individuals with addiction disorders in various settings including dual diagnosis services, methadone and suboxone outpatient services, inpatient detox and others. Dr. Patel is an experienced educator who has provided clinical training to learners from Tufts University School of Medicine, Harvard Medical school, and UMass Chan Medical School. She is an Assistant Professor of Psychiatry at UMass Chan Medical School.

#### **Dr. Larry Schibuk (Staff Psychiatrist)**

Larry Schibuk, MD, is a board-certified Psychiatrist at LHMC and Assistant Professor of Psychiatry at the UMass Chan School of Medicine. He completed his residency in psychiatry at McGill University in Montreal, Quebec and is a Fellow of the Royal College of Physicians and Surgeons of Canada. Dr Schibuk has worked in a variety of health care settings in the US and Canada, in both inpatient and outpatient settings. He has also worked as a research psychiatrist, participating in studies related to the genetics of psychiatric illness and clinical trials. His clinical interests include the treatment of psychotic disorders and the treatment of patients in acute care settings.

#### **Dr. Benita Handa (Staff Psychiatrist)**

Benita Handa, MD is a ABPN board-certified psychiatrist with expertise in the comprehensive outpatient care of individuals with general psychiatric disorders. Her areas of sub-expertise include her work with geriatric patients, including patients with concurrent neurodegenerative and psychiatric disorders, and women's longitudinal mental health. Dr. Handa is an experienced educator who has provided clinical training to medical students from Tufts University School of Medicine and UMass Chan School of Medicine, with a focus on foundational education that is relevant to clinical practice. She also provides medical education to patients, with a focus on bio-physiologic processes relevant to health maintenance. Dr. Handa is the Chair of LHMC's Continuing Medical Education Committee, and a member of UMass Chan Lahey Medical School Admissions Committee.

#### **Dr. Brianna Gutowski (Staff Psychiatrist)**

Dr. Brianna Gutowski is a Staff Psychiatrist at LHMC. She completed her general psychiatry residency at Christiana Care in Delaware and her Fellowship in Consultation-Liaison Psychiatry at Boston Medical Center. Dr. Gutowski is board certified in General Psychiatry and is board-eligible in Consultation-Liaison Psychiatry. Her clinical interests include transplant psychiatry and psychiatric care with medically complex individuals.

#### **Dr. Jacob Venter (BILH-Behavioral Services, Site Director)**

Jacob Venter, MD is board- certified in Psychiatry and Child and Adolescent Psychiatry. He has extensive experience as a clinician, educator, and leader in psychiatry. He taught and supervised medical students, residents, and child and adolescent psychiatry fellows, at Cambridge Health Alliance (CHA), Phoenix Children's Hospital, and Maricopa Medical Center in AZ for numerous years. At CHA, he was Chief of Child and Adolescent Psychiatry and Vice Chair of Clinical Operations. In his current role of Associate Chief Medical Officer of BILH Behavioral Services he oversees clinical and educational operations as well as Quality and Safety initiatives in this network. He is an Assistant Professor of Psychiatry at UMass Chan Medical School.

#### **Dr. Nalan Ward (BILH-BS Addiction Services, Site Director)**

Nalan Ward, MD, completed her adult psychiatry residency and fellowship in addiction psychiatry at Boston University Medical Center. She is board certified in adult and addiction psychiatry. She held numerous clinical and educational leadership roles at Massachusetts General Hospital. Dr. Ward has presented locally and nationally, and has authored and co-authored numerous peer-reviewed publications. Her topic of interests include the treatment of opioid use disorders, clinical innovations to increase access to addictions care, clinical education of trainees, and professional academic development in the field of addiction psychiatry. She is the Chief Medical Officer at BILH Behavioral Services, and the Site Director for the Addiction Psychiatry rotation. She is an Assistant Professor of Psychiatry at UMass Chan Medical School.

#### **Dr. Fe Erlita Festin (Boston VA Hospital, Site Director)**

Fe Erlita Festin, MD, DLFAPA is an attending psychiatrist and Director of the Mental Health Inpatient and Neuromodulation Services at VA Boston Healthcare System. She is a Distinguished Life Fellow of the American Psychiatric Association. She completed her Psychiatry Residency at the Harvard affiliated VA Brockton/Massachusetts Mental Health Center Program. Her practice has focused on the care of patients with acute and serious mental illness in the adult and geriatric population. In 2013, she was awarded the Outstanding Psychiatrist Award for Public Sector by the Massachusetts Psychiatric Society. She has been on the faculty of Harvard Medical School and Boston University School of Medicine as Assistant Professor of Psychiatry, and has been the recipient of several Outstanding Teacher Awards. She fosters a safe and stimulating educational environment in the inpatient and neuromodulation services at the VA Boston Healthcare System.

**Dr. Paula Kirby-Long (Cape Cod Hospital, Site Director and Chief of Psychiatry)**

Paula Kirby-Long, MD graduated from Dartmouth Medical School, where she completed a combined residency in internal medicine and psychiatry. She practiced as a psychiatrist in Northern Vermont in an underserved area, where she provided clinical training to psychiatry residents in rural psychiatry. She returned to Dartmouth to complete her Fellowship in Sleep Medicine, and practiced as a sleep specialist and CL psychiatrist for 10 years. She served on the Maine DMV board to develop driving safety standards for persons with narcolepsy and obstructive sleep apnea. She returned to her family in Massachusetts and practiced outpatient and inpatient psychiatry at Cape Cod Healthcare, where she now serves as the Chief of Psychiatry.

**Dr. Cathy Perkins (Cape Cod Hospital, Director of Psychiatric Emergency Services)**

Cathy Perkins, MD, graduated from SUNY Buffalo school of medicine and completed her psychiatry residency at SUNY/Buffalo medical consortium, and a fellowship in Consultation - liaison psychiatry at Brigham and Women's Hospital. Dr. Perkins practiced inpatient psychiatry at MGH, and CL and ED Psychiatry at Boston City Hospital, where she became the Director of ED Psychiatry. She then lived in Wisconsin for several years, where she was the Medical Director of Meta House (residential and IOP substance abuse program for women), and attending psychiatrist at the University of Wisconsin student health center. Since 2019 she has been the Director of Psychiatric Emergency Services at Cape Cod Hospital. She is board certified in adult psychiatry, and credentialed by the American Society of addiction Medicine.

**Dr. David Bowman (BayRidge Hospital, Site Director, Chair | Senior Medical Director | Quality Officer)**

David R. Bowman, MD, CHCQM is a physician leader in psychiatry within the Beth Israel Lahey Health system. He graduated from the University of Utah School of Medicine as a U.S. Army Health Professions Scholarship recipient, and completed his residency in Psychiatry at Tripler Army Medical Center in Honolulu, HI. He served as a commissioned officer from 2009 to 2021 and held various clinical and leadership roles, including Deputy Chief of a Multi-Disciplinary Outpatient Clinic, and Medical Review Officer for Forensic Drug Screening. He conducted security clearance evaluations and participated in evaluations for criminal competence to stand trial for the military legal system. Dr. Bowman serves as Chair of the Department of Psychiatry for Beverly Hospital, which encompasses four North Shore BILH hospitals, as well as Senior Medical Director for Behavioral Health, and Hospital Medical Director of BayRidge Hospital. Dr. Bowman is a fellow of American Board of Quality Assurance and Utilization Review, and is certified in Health Care Quality and Management. He has a passion for quality improvement and provider satisfaction.

**Dr. Steve Gillespie (Addison Gilbert Hospital, Site Director)**

Steven Gillespie, MD is board certified in adult psychiatry, geriatric psychiatry, and hospice/palliative care. He completed his psychiatry residency at Brown University, and since 1992 has been working at Addison Gilbert Hospital, Beverly Hospital, and Bayridge Hospital. He is the Medical Director of Beverly Hospital's ECT service. His work has included inpatient and CL psychiatry, with a focus on geriatric psychiatry, for the past 20 years. He is an experienced educator, having taught family medicine residents, and BU and Tufts medical students. He has presented at national meetings on topics of geriatric psychiatry. Dr. Gillespie serves as the Site Director for the Addison Gilbert Hospital's inpatient geriatric psychiatry rotation, and for an elective ECT rotation at Beverly Hospital.

**Dr. Maura Copeland (Center for Healthy Aging, Site Director)**

Maura Copeland, MD, is a Board Certified in General Adult Psychiatry and Geriatric Psychiatry. She completed her medical education at the University of Pennsylvania School of Medicine, and her residency in psychiatry at Massachusetts General Hospital. Her clinical interests include Alzheimer's Disease and outpatient geriatric psychiatry. She is the Site Director for the outpatient geriatric psychiatry rotation at the Center for Healthy Aging.

**Dr. Bradford Lewis (Medical Director of Neuromodulation Service, Boston VA)**

Bradford Lewis, MD, is a board certified adult psychiatrist. He completed his medical education at UMass Medical School, his psychiatry residency training at the Harvard Longwood program, and a Fellowship in Child and Adolescent Psychiatry at MGH/McLean Hospitals. He is the Director of the Neuromodulation Service at the Boston VA, where he offers clinical training to residents on various neuromodulation modalities including ECT, TMS, as well as ketamine treatment.

## Other Interdisciplinary Faculty

Faculty Member	Role(s)	Sub-Specialties, clinical interests, other notes
Brittney Locke, NP	Lead Nurse Practitioner	OP and CL integrative psychiatry
Erica Savino Moffatt, NP	Nurse Practitioner, Fellowship Director, Wellness Champion, Epic Liaison	OP integrative psychiatry, adult and CAP; autism, peripartum psychiatry
Erica Bartle, NP	Nurse Practitioner	OP and CL integrative psychiatry
Rebecca McCarthy, NP	Nurse Practitioner	OP and CL integrative psychiatry
Julie Robichaud, NP	Nurse Practitioner	OP integrative psychiatry
Salma Trainor, NP	Nurse Practitioner	OP integrative psychiatry
Jeremy Freund, MA, MSN	Nurse Practitioner	OP integrative psychiatry
Alyce Getler, PSYD	Psychologist	Psychodynamic therapy, Positive Psychology, IFS, Group therapy, CBT, Mindfulness. Coaching and mentoring for medical students and healthcare staff
Einat Grunfeld, PhD	Psychologist	Psychodynamic formulation and Psychotherapy Trauma informed and trauma focused evidence-based psychotherapy Group psychotherapy
Kendea Oliver, PhD	Health psychologist  Supervise our clinical post-doctoral fellow and provide clinical skills training to our collaborative care team providers.	CBT; health psychology (cardiology, pulmonary, inflammatory bowel disease, bariatrics). Health behavior change; adaptive coping to chronic medical conditions; insomnia; anxiety disorders
Dede O'Shea, PhD	Neuropsychologist Director, Post-doctoral Psychology Fellowship	Neuropsychology Assessment and management recommendations for individuals with cognitive disorders
Stacey Slavkin, PhD	Psychologist	Health psychology; mood and anxiety disorders; phase of life challenges; behavioral weight loss; bariatric surgery preparation and long-term adaptation

## Other Interdisciplinary Faculty

Faculty Member	Role(s)	Sub-Specialties, clinical interests, other notes
Jonathan Metcalf, LICSW	Clinical Manager Social Worker; psychotherapist	Couples Therapy utilizing John Gottman PhD therapeutic techniques; Motivational Interviewing; Live Organ Donor Psychiatric Evaluations, Independent Live Donor Advocate (ILDA)
Brian Quigley, LICSW	Social Worker; psychotherapist	Work with transplant team (evaluations, psychotherapy); Areas of interest include cultural psychiatry – LGBTQ and other cultural aspects
Theodora A Drescher, LICSW	Social Worker; psychotherapist; Supervisor for SW & LMHC interns in Psychiatry	Advanced Certified Solution Focused Brief Therapist; behavioral treatment of ADHD
Lucy Hall, LICSW, MA in Counseling Psychology	Social Worker; psychotherapist; Supervisor for SW & LMHC interns in Psychiatry	Treatment of individuals with a broad range of concerns including addictions and SPMI; systemic & family work. ILDA
Annapurna Bhagavathula, LICSW	Social Worker; psychotherapist	Treatment of depression, anxiety, ADD/ADHD, coping with medical illness, health anxiety; work with geriatric population. Treatment modalities: CBT, DBT, solution focused therapy
Martin Levenson, LICSW	Social Worker; psychotherapist Dept co-liaison for transgender patients Supervisor for SW & LMHC interns in Psychiatry	Work with transgender patients; ILDA; work with ambulatory pain management team.
Brian Maxfield, LICSW	Social Worker; psychotherapist	Patients with addiction and other concurrent psychiatric disorders.
David O'Donnell, LICSW	Social Worker; psychotherapist Supervisor for SW & LMHC interns in Psychiatry SW team lead.	Grief & Loss, Anger Management
Abigail Salvati, LICSW	Social Worker PERC Lead	Emergency psychiatry
Victoria "Tori" Pacheco, MPH, MSW, LCSW	Social Worker; PERC team member	Emergency Psychiatry, Public Health
Amanda Baillargeon, LICSW	Social Worker; PERC team member	Emergency psychiatry
Diana Furia, RN	Registered Nurse; PERC team member	Psychiatric Nurse Community Resources Specialist
